ANNUAL REPORT FY2021

LifeFit Group's unqualified audited financials confirm the preliminary reported results for the period ending 31 Oct 2021

Frankfurt/Main, 28 February 2022. LifeFit Group, a leading fitness and health platform in Germany and operator of the Fitness First, Elbgym, smile X, Barry's Bootcamp, The Gym Society Germany, Pure Barre and Club Pilates brands, has published its audited annual report and confirms financial year results for LifeFit Group as of 31 October 2021.

The result of the financial year refers to the period 1 November 2020 to 31 October 2021. Due to the short financial year of Lifefit Group Midco GmbH in FY20 and for a better understanding of the financial results, the group presents pro forma financial statements considering the 12 month period 1 November 2020 to 31 October 2021 and adjusted for IFRS 16 impacts. For this we refer to the published Q4/21 interim report. Material changes compared to the published Q4 report result in EUR +1.6m additional governmental support (other operating income), which is offset by write-off on receivables from related companies. Adjusted EBITDA accordingly increased to EUR 34.9m (EUR +1.4m) as the write-off is exceptional in nature. Please find a bridge between the published Q4 report result and the annual report in the accompanying presentation. For further details we refer to the annual report.
